PRAYER FOR WORLD PEACE

by Dr. Ernest Holmes

I know there is but one Mind, which is the Mind of God, in which all people live and move and have their being.

I know there is a Divine pattern for humanity and within this pattern there is infinite harmony and peace, cooperation, unity, and mutual helpfulness.

I know that the mind of each person, being one with the Mind of God, shall discover the method, the way and the means best fitted to permit the flow of Divine love between individuals and nations.

I know there shall be a free interchange of ideas, of cultures, of spiritual concepts, of ethics, of educational systems and scientific discoveries – for all good belongs to all alike.

I know that, because the Divine Mind has created us all, we are bound together in one infinite and perfect unity.

In bringing about world peace, I know that all people and all nations will remain individual, but unified for the common purpose of promoting peace, happiness, harmony, and prosperity.

I know that deep within every person the Divine pattern of perfect peace is already implanted.

I now declare that in each person and in leaders of thought everywhere this Divine pattern moves into action and form, to the end that all nations and all people shall live together in peace, harmony, and prosperity forever.

So it is now.

January President's Message

January 2024 President's Message

As we enter 2024 several members of our Board of Trustees terms will be ending in February. The Board of Trustees is an important part of the leadership of CSLB's current and future wellbeing. Each of the 7 BOT members of our Board contributes with their input for how CSLB directs our planning, activities, and new business.

Some board members are elected by the board to act as president, vice president, treasurer, and secretary, the other three serve as Trustees in non-assigned tasks and are just as vital to our Center. All members share equal voting rights and contribute their ideas and insights for the direction and growth of the Center. The Senior Minister is also an important member of the board, also providing ecclesiastical guidance for the other members.

It may seem that being on the Board of Trustees is an intimidating responsibility, but we also have an additional bond as CSLB members. The Board meetings combine brainstorming as well as fellowship and good times. One of our Board members recently said, "I have not laughed this much in a long time."

The Selection Committee is currently looking for CSLB members that would like to become part of the satisfying and fulfilling Board of Trustees. The Center votes on new Board members during our annual February CSLB member meeting. If you have the desire to join the Board of Trustees please contact me or Evonne Fowler to get you started on the selection process.

Proudly serving the members of CSLB,
Bill Soady, Board of Trustees President

Volunteer of the Month

Volunteer of the Month for January 2024

As we came to the end of 2023 and looked back over what has happened at CSL Beaumont we could not find a better person to name as our Volunteer of the Month than Evonne Fowler. If something needs to be done, she is there. She is a Practitioner, has been President of CSLB several times, served on the Finance Team, on the Membership Team, and leads the SOM discussion group. If that is not enough, she has held more yard sales than we can remember. Yvonne, you are valued for all you do for CSLB and for what you bring to CSLB personally.

THANK YOU

Volunteering

You know the feeling you get when you help someone? Like holding a door open, reaching to the top shelf in the store to help a person unable to reach that high, visiting someone in a care facility or in their home, and generally being a blessing in the world.

We give everyone the opportunity to have those “feel good” perks when volunteering here at the Center. Plus you get to park in the sacred “Volunteer of the Month” parking space in our parking lot! But, of course, you need to volunteer in order to get that perk.

The list of opportunities is long however, here are a few ideas that only take a small amount of time while attending on a Sunday. Greeting people as they come in the door, taking the offering, helping in the kitchen, and there is even an open spot on our Board of Trustees. Now being on the board might sound “boring” (and it involves more than a Sunday) but it comes with the perks of working as a team, making decisions harmoniously and laughing (with each other—not AT each other) all while taking good care of our Center.
